MESSAGE FROM THE PRESIDENT

President Sends:

Greetings SFA Chapter XV members, family and friends:

Our monthly meeting was held on 14 September 2024 with many Chapter members in attendance. Many thanks to Secretary Fred Solis for the noon meal of lasagna and to the Chapter wives for their continued support.

A tip of the beret to our members Harold McBride, John Armezzani, Paul Coleman, and Bob Walker who have worked so hard towards fundraising in the last few months.

Thanks to all who attended the ceremony at Schreiner University in Kerrville, TX to commemorate the naming of their drill team after MACV B52 Recon Team Viper member SGT Irby Dyer III (Corky) who remains MIA. The event was well attended by the Chapter and the entire leadership of the Special Forces Brotherhood Motorcycle Club. The drill team members and families and University staff were appreciative of our support.

On 2 October 2024, Buddy Gee and I attended a ceremony at Roy Benavidez Elementary School to celebrate CMOH week being held in San Antonio. CMOH recipient MG(R) Patrick Brady was the guest speaker and the event was attended by Roy's son Noel and grandson Matthew as well as former El Campo Mayor and newspaper owner Chris Barbee who initially broke the story in the El Campo newspaper which led to the award of the CMOH to Roy Benavidez.

Chapter XV has submitted its single vote to National on the proposed changes to the bylaws and received acknowledgement of receipt. Thanks to all of the members who took the time to vote on these important issues affecting our organization.

The next membership meeting originally scheduled for Saturday, 12 October 2024 has been changed to a Purple Heart Ceremony for Chapter members CPT(R) Richard Harvey and SFC(R) Robert Carey. The ceremony will be held at 1100 hours on the top floor of the office building housing the Vietnam Army Grunt Museum located at 4499 Pond Hill Rd, Shavano Park, TX 78231. Please wear your green blazer and beret for the event if you have them. A catered lunch will be served following the event.

Respectfully,

Jeffrey D. Dahlby
President SFA Chapter XV

Leaving your burdens behind

Greetings from the Camino de Santiago where 9 combat veterans are making our way across northern Spain as part of the Warriors on the Way pilgrimage. Over the course of 12 days of hiking we will travel 180 miles in the mountainous regions of Castilla Leon and Galicia. The purpose of this pilgrimage is to help combat veterans experience relief from PTSD and Moral Injury (feelings of guilt, shame, internal angst caused by things done/witnessed). One of the most challenging aspects of this pilgrimage for most of the veterans is the weight limit. Pilgrims are limited to a maximum pack weight of 18 pounds, which includes the pack itself, sleeping bag, wet weather top, and full 1-liter canteen, and clothing and personal items.

Everybody wants to overpack with a long list of “what if” contingency items. The common reply is “I used to carry. . .” with claims of high weights and long distances. There are a few concerns with such claims. The first and most obvious is “used to.” More importantly is that the weight limit is a practical exercise in two things. Ridding yourself of what you do not need, so you are not burdened and slowed by what you should not be carrying; and, being willing to trust that the packing list truly does equip you with what you need. In other words – leave your burdens behind and learn to trust others. They are physical lessons, but they have much bigger meanings. We all carry emotional/spiritual burdens that we should leave behind. Trust in others can be hard to extend. By carrying those burdens and not allowing ourselves to trust anybody else, we make our lives much harder than they should and could be.

Our Warriors on the Way pilgrims each carry a rock (or rocks) symbolizing the emotional/spiritual burdens that they want to leave behind. Over the days hiking together our pilgrims learn to trust the pilgrimage to do what it does, and each other to accomplish each task before them. When we get to the Cruz de Ferro (the cross of iron) on top of a high mountain in Castilla Leon, the pilgrims leave those burdens at the foot of the cross with the intent of never picking them up again gaining freedom from them. Where will you leave your burdens? Who will you trust to help you? Knowing and acting on the answers will lighten the load you carry through life – and your life will be fuller for it.

Buen Camino,
Fr Steve

5th Group Reunion

By: Buddy Gee

5th Special Forces Group (Airborne) 63rd Anniversary Reunion

Chapter members attending this year's 63rd Anniversary reunion of 5th Special Forces Group (Airborne) were Buddy Gee and Pete and Lydia Vasquez. It was the usual meet-up with new friends, old acquaintances and some we never wanted to see again. This year there was a noticeable shortage of Vietnam Era 5th Group veterans.

The week kicked off September 14th with active-duty soldiers competing in clay shooting, the Tour de Legion Cycle Ride, flag football and softball competitions. On Tuesday the old-timers and recent veterans came trickling in and Chapter 38 opened the hospitality room. Highlight events for the rest of the week included the jaunt to Nashville on Wednesday, a fishing trip, prayer breakfast and Open House on Thursday, as well as the reunion dinner.

After the golf scramble on Friday, the hospitality room was hopping with the guitar trio of 12-year-old Myles Gee, Chapter 38 President Joel Pruitt and Myles' buddy Kaden Dame.

The picnic on Saturday included a myriad of activities for soldiers and their families with entertainment by a 160th Aviation Group soldier who sang and played guitar. Myles Gee was invited on stage, where he wowed the crowd with his guitar pickin' and surprised them with his friend and fellow Nashville entertainer, Mariah Faith. Mariah is the 2023 American Idol runner-up who appears to be on her way to stardom.

The reunion concluded Saturday, September 21st with brotherhood and fond farewells in the hospitality room. A good time was had by all.

For more on the reunion and the Chapter 38 activities and their Gabriel Field Legacy initiative to honor Vietnam Vets, see www.sfa38.org.

5th Group Reunion continued

Above: Myles Gee and Mariah Faith entertained for the picnic. Myles is the 12-year-old great grandson of Buddy. Mariah was Myles' guest singer and she was an American Idol finalist in 2023.

Joel Pruitt, Chapter 38 president, Myles and Kaden Dame formed a guitar trio and entertained the hospitality room on Friday night.

RECUERDO (REMEMBRANCE)

**I sing of one who would remain unsung,
whose name would fade like tracks upon the
sand. For him no bells were ordered to be
rung; no banners lowered by a grieving
land. No bugles blew the moment that he
expired; no clock was stopped to fix the final
hour; no doors were draped in black, no
cannons fired. These are the rites of men of
rank and power.**

**But still I sing of him with mounting pride,
who seized the challenge with uncommon
heart then ran the course with firm
unfaltering stride to reach the mark
determined from the start.**

**The measure of a man who runs the race —
lies in his distance from the starting place.**

Special Forces Creed

*I am an American Special Forces Soldier. A professional!
I will do all that my nation requires of me.
I am a volunteer, knowing well the hazards of my profession.
I serve with the memory of those who have gone before me:
Roger's Rangers, Francis Marion, Mosby's Rangers,
the 1st Special Service Force, the Jedburghs, Detachment 101,
and the Special Forces Soldiers of the Vietnam War,
Who were awarded 17 Medals of Honor and 90 Distinguished Service Crosses.
I pledge to uphold the honor and integrity of all these,
In all That I am, all I do.
I am a professional soldier.
I will teach and fight whatever my nation requires,
To liberate the oppressed.
I will strive always, to excel in every art and artifice of war.
I know that I will be called upon to perform tasks in isolation
Far from familiar faces and voices.
With the help and guidance of my God,
I will conquer my fears and succeed.
I will keep my mind and body clean, alert and strong, for this is my debt
to those who depend upon me.
I will not fail those with whom I serve, I will not bring shame upon myself or the
Forces. I will maintain myself, my arms, and my equipment
In an immaculate state as befits a Special Forces Soldier.
My goal is to succeed in any mission—and live to succeed again.
I may not be found wanting, that I will not fail in this sacred trust*

Special Forces Poem

By P.M. White

*I've lifted my glass and drank my fill, Of the wine that's known as pride.
I've walked among some gallant men,
And watched them stride for stride. I've crammed my head with devious ways
To defeat the enemy's goal. And kept inside for loyalty's sake,
The tales that can't be told. The need is gone for my service now,
I'll hang up my green beret and sip no more the wine of pride,
Till called again someday.
The strength and character of an organization are measured by its members.
